Preparation

a) National presentations: Max. 20 min./country (pls. coordinate per country): Your VET organization and your work with in-company learning outcomes, national approaches for defining in-company learning outcomes - SEE TEMPLATE

b) Having studied the See-the-goal application as well as the crucial background literature, list in Dropbox: https://www.dropbox.com/s/nn7g4hytv4jgcqo/3%29%20literature%20 final.docx?dl=0 No, you need not have read all this before the meeting ☺, but check the list to know our context.

31st October 2016

c) Practical: Bring laptop/tablet, information materials, video camera/smartphone, in-company learning outcomes for the chosen educational programs (preferably in English)

TEMPLATE for national presentations:
- In short: Basic facts about national VET-system (dual or not, number and duration of educations, national authorities, etc.)

- Briefly about your organization and its position in your VET-system
- In short the main national tendencies: Governmental focus, challenges for VET organizations and training companies
- In-company learning outcomes:
  - National approaches for definition, practice in companies, role of VET colleges and/or consultants, improvements to be undertaken
  - If any: Examples on filmed learning-outcomes
